## EDUCATION

### Graphic Era Hill University

Bachelor of Science in Computer Science

Sep 2021 – June 2025

CGPA-7.92

### D.A.V Public School

Higher Secondary School Certificate

2021

marks- 83.20%

### D.S.B International Public School

Secondary School Certificate

2019

marks- 88.3%

## WORK EXPERIENCE

### Goldman Sachs

March 2025

Software Engineering Virtual Experience Program on Forage

- Completed a job simulation as a Goldman Sachs governance analyst responsible for assessing IT security and suggesting improvements
- Identified that the company was using an outdated password hashing algorithm by cracking passwords using Hashcat
- Authored a detailed memo outlining security enhancements, including adopting a stronger password hashing algorithm and enforcing stricter password policies to improve cybersecurity.

## PROJECTS

### Face Recognition Attendance System | Python, ML

June 2024

- Spearheaded the development of a facial recognition-based attendance system via Python and OpenCV.
- Incorporated the KNN machine learning algorithm to boost accuracy in face recognition and attendance tracking.
- Crafted a structured, user-friendly interface facilitating efficient record management.

### Food Delivery Website | HTML, CSS, JavaScript

September 2023

- Designed a responsive and interactive UI using HTML, CSS, and JavaScript.
- Ensured seamless navigation for an improved user experience.
- Implemented structured styling and dynamic elements for better engagement.

### Car-Rental-System | Java

July 2023

- Developed a Java-based console application to manage car rentals, including booking and returns.
- Implemented dynamic tracking of car availability and detailed information management.
- Designed a user-friendly interface to streamline rental operations.

## TECHNICAL SKILLS

- **Languages:** C/C++, Python, JAVA
- **Database:** MySQL, familiarity with database administration tasks
- **Web Development:** HTML/CSS, JavaScript
- **Soft Skills:** Time Management, Adaptability, Problem-solving

## CERTIFICATIONS

- **Java Programming** - Great Learning Academy
- **Python for Data Science** - Cognitive Class

## HOBBIES/INTEREST

- playing chess and online games
- Solving puzzle and Listening to Music
